

ETHICS IN THE WORLD OF BUSINESS

3 CPD UNITS

COURSE DETAILS

Ethics is all about 'doing the right thing'. Organizational culture is a system of shared assumptions, values and beliefs that governs how people behave in organizations. An organization with an ethical culture provides a culture that promotes ethical behavior among the members of the organization and plays an important role in prevention of fraud and employee misconduct.

Acknowledging the advantages of adopting an Ethical Corporate Culture can greatly benefit any organization irrespective of size and business sector. The seminar will also cover the possible drawbacks from having a weak organizational culture and necessary steps in creating a strong, ethical culture which will act as a bulwark against fraud and corruption.
